**All classes are non-parented.** We highly encourage this especially for little ones to help them be more independent and create new friendships. If needed, a parent will be allowed in the studios for the first 2 classes just to get their child comfortable with their new surroundings but after that ALL parents and siblings must stay in our parent lounge area outside the studio doors during class. There will be plenty of opportunities to watch them dance during the session.

**Students Enrolled in Multiple Classes**

Our schedule is designed so students can conveniently take both Ballet and Hip Hop classes back-to-back each week. **Students enrolled in multiple classes receive their second class at 50% off tuition.** During our session performance, we ensure students have sufficient time between performances to change into their next costume.

**Transfer & Withdrawal Credit Policy**

All classes must be paid in full at the time of registration. Students may transfer or withdraw within the first two classes and receive a prorated studio credit. Studio credits never expire and may be applied towards any future session. Credits are non-transferable and not redeemable for cash. Refunds are not offered once a session has begun. The registration fee is non-refundable.
